

# Advantra Z<sup>®</sup>

With bitter orange extract that helps promote thermogenesis during exercise\*

## Value

### For Manufacturers

---

- Clinically studied
- GRAS status
- Two-year shelf life
- Not genetically modified through the use of modern biotechnology

### For Consumers

---

- Helps support sports performance\*
- Trusted brand
- Comprehensive safety profile

# Advantra Z<sup>®</sup> is an Industry Leader in Helping Support Thermogenesis, Sports Performance, and Energy

In clinical trial research, p-syneprine, the primary bioactive in Advantra Z<sup>®</sup>, significantly **increased thermogenesis** in subjects performing a resistance training test.<sup>†</sup>

Extracts of bitter orange (from which Advantra Z<sup>®</sup> is derived) as well as p-syneprine have traditionally been used in the **sports performance and energy** categories\*.

Harvest of bitter orange fruits at an optimal stage results in Advantra Z<sup>®</sup> possessing **exceptional quality and high bioactive content**.
